

2021 Conference Announcement on Food and Nutrition

We are pleased to welcome you to the “International Conference on Food and Nutrition” after the successful completion of the series of Food and Nutrition Congress. The congress is scheduled to take place in the beautiful city of Paris, France on June 29-30, 2021. This organ transplantation 2021 conference will provide you with an exemplary research experience and huge ideas.

The perspective of the Nutrition Conference is to set up novel research techniques to help researchers understand how innovative techniques have advanced and how the field has developed in recent years.

The Nutrition industry channels an important proportion of total research in most developed countries. In Europe, for example, it represents about 13% of total R&D. In recent years, Nutrition companies have been accused of devoting their resources mainly to minor improvements over existing medicines that require short clinical trials and have a small risk of not being accepted. The provision functions were an integral part of a large company's R&D function but nowadays they are most likely to be outsourced under contract to external societies specializing in a particular service, especially if these activities are not seen to offer a competitive advantage to the company

The Conference contains Keynote Forum, Oral and Poster presentations, Young Research Forum and Exhibitions. The aim is to gather prominent academic scientists, researchers, specialists, industrialists and research scholars to discuss and share their know-hows and research works on all aspects of Food science and Nutrition. Longdom Conferences organizes 3000+ Global Events comprising of 600+ Conferences, 1200+ Workshops and 1200+ Symposiums every year in USA, Europe & Asia with support from 1000 more scientific societies

To enhance the field and make people aware of it. The organizing committee decided to hold a conference. Novel and innovative techniques are the fast growing and developing areas of Food and Nutrition. Nutrition Education conference brings together individuals who have an interest in different fields of Nutrition. It is a forum to explore issues of mutual concern as well as exchange knowledge, share evidence, ideas, and generate solutions
