

# Awards - Plant Pathology 2020

---

From the successful completion of several International Conference in the field of Plant pathology the Longdom is glad to include another international conference in the series. The conference is titled as "Plant Pathology 2020" the conference will be held on Nov 15-16, 2020 at Texas, USA.

The special moment added in the conference is award distribution. The award is to encourage the speakers, participants, Keynote Speaker, Young scientist people etc., there are several categories are introducing to provide the awards. The awards will be delivered by the chairperson at the end of the Conference.

**The most important category awards are:**

- Best Keynote Speaker.
- Best Speaker
- Poster presentation Award
- Young Scientist Award
- Best Question Award
- Expert Level (Scientific Service Achievement Award):

The award to the experts who have made outstanding contributions

**Best Keynote Speaker:** The best keynote speaker award will be given to the people who are presenting their presentation at the Plant Pathology in a keynote speaker category. This award will be decided by the chairperson in the conference. This award is the most prominent and prestigious award given in the conference.

**Best Speaker:** The best speaker award will be given based on the research idea and how the person presenting their idea in the forum. The research idea should enhance, and it should be implemented in the real time technique in the Plant Pathology. The best speaker will be decided by the keynote speaker who is participating in the conference. The people could participate under the categories which they have been registered.

**Poster Presentation Award:** The people under poster presentation category will be awarded with the best poster presenter. This will be selected based on the fascinating idea and it should create awareness among the people about the Plant Pathology. This award will be decided by the organizing committee in the conference. The most fabulous moments are waiting in the conference to be happening.

**Young Scientist Award:** The conference of Plant Pathology will also recognise and provide honour to the young research people who are fascinated to bring the changes in the treatment techniques. This award will be provided to the students. This award will be provided based on the concept of research and how it will be useful for the patients in organ transplantation.

**Best Questioner award:** This will be the different and most interested award given to the delegate who are asking queries to the speakers, research people presenting the research work. From delegates who is asking the most valuable and knowledgeable question to the presenter they will be provided with the best questioner award.

### **Women Scientist (The Women of Science Award)**

Our Conference provides a unique platform for women scientists for presenting latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from Universities/ Industries to who have 10+ years of research experience to join the forum. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women Scientist can nominate deserving of the award through online.

### **Scholar Level (The Upcoming Researcher Award)**

The conference offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of Plant pathology Sciences. Our conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions. You can nominate deserving of the award through online.

### **Expert Level (Scientific Service Achievement Award):**

The award to the experts who have made outstanding contributions to advancing in Plant Sciences. It is the most prestigious award of the whole conference and is tagged as scientific service Achievement award. The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field in public or private sector. The receiver of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects. You can nominate deserving of the award through online.

The conference will be having the workshop, scientific session, poster presentation, video presentation, etc., The people who are attending the conference are Industry people, research people, professors, head of the departments, Plant pathology and Microbiology etc., kindly spent a day at the useful place to gain a more knowledge.
