

## Awards at Global Healthcare 2020

Uqbah bin Muhammad Iqbal

Global Healthcare 2020 welcomes attendees, presenters and exhibitors from all over the world to Vienna. We are glad to invite you all to attend and register for Global Healthcare 2020 which is going to be held on September 14-15, 2020 at Vienna, Austria.

To recognize the scientific merit shown in poster presentation and planning, the Best Poster Award has been created.

One best poster will be chosen for each day based on the presentation quality, the poster quality, and the delegates assessment through the conference.

### Best Poster Award

A poster is a method of presenting your research to an audience in a visual format. Pulsus Conferences offers the unique opportunity to showcase your research in the poster format.

### Poster presentation Benefits

Unique opportunity to combine visual and oral explanations of your projects in the form of poster presentation

Best poster Award: 3 best posters will be awarded at the closing ceremony of the conference

The entire accepted poster abstract will be published in reputed and supporting international journals with unique DOI given by CROSSREF

Best posters will be given an opportunity to publish the full work at discounted processing charges in the supporting international journals

### The selection of the winner will be based on:

Posters will be evaluated based on the following three parameters; those are Presentation Style (5), Research Quality (5) and Layout/Design (5).

Presentation clarity of poster and oral explanation.

Poster Judges overall responses to the questions and the completeness of work

### Young Scientist Award

PULSUS publicizes an outline of Awards for Young Scientists in order to help excellence in various fields of science and technology. These Awards are known as "Young Scientist Awards". The award is open to those researchers involved in graduate education and research happenings that accentuate bearable progress.

### Benefits

Advancing perfection and perceiving remarkable commitments made by the youthful researchers for their work done essentially during the span of study.

Find out about career advancement and the most recent research devices and technologies in your field.

Graduates are motivated by the chance to choose neighborhood or worldwide subjects of pertinence/enthusiasm to them, and build up their own logical examinations and models drawing in locally or universally.

Two researchers will be chosen for the Awards.

Chance to be a student envoy.

Chances to coordinate with partners around the world

Discounts at the PULSUS conferences, at different worldwide venues in future.

Chance to distribute full length papers in rumored supporting international journals of respective conference

Best Young Scientist Award introduction will be named by the board and in the event that they wish to publish the full length paper, they can publish in supporting worldwide journals of the respective conference at free of preparing charges.
