

Awards at Primary Healthcare 2020

Loai Aljerf

Primary Healthcare 2020 welcomes participants, presenters, exhibitors and sponsors from around the world to Paris, France for the unique **Healthcare** gathering. We are glad to welcome you all to attend and register for the "2nd World Congress on Primary Healthcare and Medicare Summit" which has been scheduled in during February 19-20, 2020 at Paris, France.

The conference will offer the Best Poster Awards to the one best paper.

It discusses the nature and purpose of the paper, the theoretical context relevant to the focus of the article, related analysis with a clear indication of the gap(s)/limitation(s) that the article would resolve in current knowledge / practice, and the practical applications or sense of what the article describes.

Best Poster Award

A poster is a method of presenting your research to an audience in a visual format. Pulsus Conferences offers the unique opportunity to showcase your research in the poster format.

Poster presentation Benefits:

Unique opportunity to combine visual and oral explanations of your projects in the form of poster presentation

Best poster Award: 3 best posters will be awarded at the closing ceremony of the conference

The entire accepted poster abstract will be published in reputed and supporting international journals with unique DOI given by CROSSREF

Best posters will be given an opportunity to publish the full work at discounted processing charges in the supporting international journals

The selection of the winner will be based on:

Posters will be evaluated based on the following three parameters; those are Presentation Style (5), Research Quality (5) and Layout/Design (5).

Presentation clarity of poster and oral explanation.

Poster Judges overall responses to the questions and the completeness of work

Young Scientist Award

PULSUS publicizes an outline of Awards for Young Scientists in order to help excellence in various fields of science and **technology**. These Awards are known as "Young Scientist Awards". The award is open to

those researchers involved in graduate education and research happenings that accentuate bearable progress.

Benefits

Advancing perfection and perceiving remarkable commitments made by the youthful researchers for their work done essentially during the span of study.

Find out about career advancement and the most recent research devices and technologies in your field.

Graduates are motivated by the chance to choose neighborhood or worldwide subjects of pertinence/enthusiasm to them and build up their own logical examinations and models drawing in locally or universally.

Two researchers will be chosen for the Awards.

Chance to be a student envoy.

Chances to coordinate with partners around the world

Discounts at the PULSUS conferences, at different worldwide venues in future.

Chance to distribute full length papers in rumored supporting international journals of respective conference

Best Young Scientist Award introduction will be named by the board and in the event that they wish to publish the full length paper, they can publish in supporting worldwide journals of the respective conference at free of preparing charges.
