

Awards for optometry and ophthalmology

Dori Winget

Research Contribution and Achievement

Conference Series LLC presents awards to researchers and scientists throughout the world with outstanding achievements and making a noteworthy contribution to the advancement of their field. Conference Series strives in providing a strong professional development opportunity for early career academicians-meeting experts in the field, interacting with colleagues from other parts of the world and creating networks and long-term relations.

Call for Nominations

Expert Level: The award is considered the most distinguished award in the whole conference and it is termed as Scientific Service Achievement Award. The award will recognize research contributions in a significant field rather than a single project or contribution. The researchers should have a minimum of 20 years of research experience in the respective field. The anticipatory awardee should be passionate towards their work, willing to innovate and accept the aberrations happening in the research area with the introduction of recent trends. You can nominate anyone you feel deserving to the award.

Professional Level: The award will be presented to professional researchers in the field of Euro Optometry with most relevant accomplishments. The award honors qualitative, quantitative, experimental research or case study research that investigates the aspect of Euro Optometry. The award is termed as The Research Contribution Award. The researchers should have a minimum of 10 years of experience in academic or professional research. Part-time research experience would be counted as a pro rata. Doctorate degree is not a must have for this award nominees. They should be hard working, diligent, focused and devoted to the specific field of interest. You can nominate anyone you feel deserving to the award.

Scholar Level: The award will be presented to upcoming researchers and scientists in the field of Euro Optometry with a minimum of 10 years of experience. The award is termed as The Upcoming Researcher Award. The award recognizes the researchers who incorporate research excellence through their talent, knowledge and expertise in their field. You can nominate anyone you feel deserving to the award.

Women Scientist: The award will be presented to Women Scientists and researchers in the field of Euro Optometry with a minimum of

10 years of experience in relevant field. The award is termed as The Women of Science Award. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. We are privileged to provide a platform where women can guidance through our collaborations. We are privileged to provide a platform where women can showcase their research work in their field of research. You can nominate any women you feel deserving to the award.

Outstanding Speaker: In this category of award, we wish to acknowledge the speakers with great presentation skills, influential research work and long term excellence in the field of Euro Optometry. The award is termed as Outstanding Speaker. You can nominate deserving to the award.

Best Keynote Speaker: Keynote speaker delivers the speech to set up the underlying tone and to summarize the core message of the event. The right keynote speaker adds an extraordinary feel to the conference.
