

Conference Announcement: 23rd World Congress on Psychology and Behavioral Science scheduled during December 11-12, 2020 in Barcelona, Spain

James Martins

Followed by the Successful Completion of the Psychology 2019, we are hosting its next edition “23rd World Congress on Psychology and Behavioral Science” in Barcelona, Spain on December 11-12, 2020.

The theme focused on Psychology 2020 is Unleash your research ideas at Psychology 2020.

Having you all with us for our Psychology 2020 is a matter of great joy and excitement. We look forward to you all sharing your incredible knowledge, research ideas and to make a sprinkle with new enhancements at this 2-days event.

This time we have introduced some new highlights for our Psychology 2020.

Behavioral Science, Behaviorism and Theories Involved, Causes of Behavior, The Psychology of Brain and Behavior, Children Psychology, Abnormal Behavior, Behavior and Mortality, etc

Psychology 2020 aims to bring all the professionals under all Psychology and Mental Health fields for our Nursing Care Meeting to interact and share their knowledge and their newest research to the entire Nursing Community

Also, this time, Our Spain Psychology Conference will be a focus destination for the International Psychology Research Societies, Associations, and Organizations. This event will bring together Professors, Students from academia and researchers in the field of Psychology and behavioral science, Government officials and global leaders to interact and share their knowledge in the field of Psychology.

The psychology 2020 event is expecting more than 200+ Participants to enlighten the program. This time the Spain Psychology Conference will organize several Oral and Poster Presentations/Networking Sessions/Workshops/Symposiums/Exhibition as we have introduced several new tracks to bring in more participants.

SAVE THE DATE, Psychology 2020 is coming!
