

Conference Announcement: 6th International Conference on Food Safety on October 16-17, 2020

Istvan G. Telessy

We are hosting its next edition 6th International Conference on Food Safety in Vienna, Austria on October 16-17, 2020.

The theme focused on Food Safety 2020, is the **Scientific Insight into Global Food and Health challenges**.

Having you all with us for our Food Safety 2020, is a matter of great joy and excitement. We look forward to you all are sharing your incredible knowledge, research ideas and to make a sprinkle with new enhancements at this 2-days event.

This time we have introduced some new highlights for our **Food Safety 2020**.

Food Safety and engineering, Technology in Food Safety, Food Analysis, Nutritional and Dietary Management, Nutrition, and Food Safety, Food Spoilage, Food Plant Management, Food Marketing and sales, Food Packaging and Preservation.

Food Safety 2020 invites all the participants across the universe such as eminent researchers, professors, scientists, students, principal scientists, research scholars and entrepreneur to get an awareness about Food and Nutrition in the matter. This global meeting gives the chance to **Nutritionists**, Dietitians, dynamic experts from health care professionals, young researchers, specialists, and analysts throughout the world to assemble and take in the latest advances in the field of Food, Dietetics, and to exchange novel ideas and experiences. The full session offers special opportunities for scientists, researchers, nutritionists, dietitians, fitness experts, healthcare professionals and biological scientists from all parts of the universe to exchange their research experience, gain new knowledge, and establish contacts.

It's a unique platform to extend the research thoughts, knowledge and to build up a network with a broad spectrum of professionals and experts all

over the world. This global meeting gives the chance to Nutritionists, **Dieticians**, clinicians, dynamic experts from health care professionals, young researchers, specialists, and analysts throughout the world to assemble and take in the latest advances in the field of Nutrition, Dietetics, and to exchange novel ideas and experiences.

Food Safety 2020 aims to raise awareness of proper nutrition and its impact on health issues, the importance of patients ' energy balance, and major nutrients such as proteins, minerals and vitamins, and more.. Also, this time, our **Food Safety Conference** will be a focus destination for the International Nutritional Research Societies, Associations, and Organizations.

Food Safety 2020 is expecting more than 200+ Participants to enlighten the program. This meeting includes brief keynote introductions, plenary talks, young research forums, symposiums, and workshops, exhibitions, poster sessions, and panel discussion on the latest research breakthroughs and challenges in clinical nutrition and other nutrition-related fields.

We welcome all the Nutritional Professionals, Delegates, Researchers, and Students to make your beautiful presence in Vienna by October 16-17, 2020.

SAVE THE DATE, Food Safety 2020 is coming!
