

# Conference Announcement for World Congress on Otolaryngology - Head and Neck Surgery Scheduled during March 02 -03, 2020 in Edinburgh, Scotland

Anas G Al Hariri

---

If Surgery is the finest art of the Medical Science, then Surgeons are the finest living artist ever!!

Otolaryngology is one of the complicated and sensational parts of General Surgery. With our commitments towards the Allied Health Orientations, [ENT 2020](#) proudly announces its first-ever series on **Otolaryngology**. The forthcoming **World Congress on Otolaryngology-Head and Neck Surgery** is going to take place in **Edinburgh, Scotland** during the month of **March 02-03, 2020**.

The focus of this conference has already been set when its theme was decided "**Otolaryngology - Surgical Outcomes for Comprehensive Medical Care**" to give a dynamic message to its attendees on the surgical impact on Otolaryngology.

The main objective of this event is to enhance and explore the unmeasured advancements of Otolaryngology. This surgical discipline must be explored to minimize the complications as well as enhance medication for the disorder related to ear, nose and throat. At finally the Head and Neck oncology is also one of the prime explorable focus of this conference.

Trending investigative topics like Otolaryngology, Neuro Otolaryngology, Paediatric Otorhinolaryngology, Cochlear Implants, myringotomy, Vocal contraption, Sinusitis, Rhinitis, HNS Oncology, Hyperacusis, Ototoxicity, Tinnitus, Sleep Apnea, Facial plastic surgery are the core part and the pillar of this conference.

Knowledge Seekers like Scientist, Physician, Otolologist, Rhinologist, Audiologist, ENT Doctors, Laryngologist, Entrepreneurs, Young

Researchers, Students & Delegates, Facial Plastic Surgeons, Industrial Professionals, ENT Devices Designers, Head and Neck Surgeons, Health Care Professionals, Pharmaceutical Companies, Paediatric Otolaryngologist, Medical Device Companies, Otorhinolaryngology Societies, Otorhinolaryngology Surgeons, Otorhinolaryngology Physicians, Drug Manufacturing Companies, Head and Neck Oncology Society, Professionals of Otorhinolaryngology Research Institutes can participate in this conference.

[ENT 2020](#) is anticipating getting a global audience without segregating the countries based on economic development. For us knowledge is the most powerful tool which cannot be measured by any of the available resources.

With great expectations from the globe, [ENT 2020](#) is looking forward to seeing the professions for the upcoming [conference on Otolaryngology-Head and Neck Surgery](#).

We are promised to make you feel, your actual worth of being an ENT Surgical Professional for this 2 day in March 2020.

Join us and feel the difference in approaching the surgical medication from a different perspective!!
