

Conference Announcement: International Conference on Physicians and Surgeons

Gerald C. Hsu

SAVE THE DATE for Physicians 2020!!!

With the successful completion of varied surgery conferences, we are hosting a new edition of surgery event to discuss the recent talents of Physicians & Surgeons all over the world. Pulsus Group is glad to announce the "International Conference on Physicians and Surgeons" scheduled to be held on April 08-09, 2020 at Dubai, UAE.

Physicians 2020 highlights the theme "Heal and Repair with Doctors" which provides a platform for a unique opportunity to meet up with the associates from both industry and academics and establish the research & innovations under one roof to discuss the researches and the challenges in the medical field. The Ultimate goal of the conference is to deliver a remarkable program in research and developments in the medical field.

This two-day event aims to gather the renowned and honourable persons from top universities across the globe to discuss the recent trends in the surgery field and share the developments in the medical field and the researches to build on social interactions and support each other and to direct the medical field for the future developments.

Physicians 2020 is an global event focusing on the new research and development in the growing field which aims to deliver an outstanding scientific program with symposium, keynote presentations, oral presentations workshop, video and poster presentation, e-poster, brand launch, award felicitation and exhibition to all the participants and exhibitors/sponsors from different countries with same intension to explore the advancements in the field. The scientific program will be a valuable opportunity for scientific discussions and exchange of opinions with our speakers/delegates, keynote speakers, and global opinionated people around the globe.

The conference will be mainly focusing on the 20+ tracks and 100+ sub-tracks. It is an open platform to introduce the new researches in the various kinds of surgeries.

It is our great pleasure to extend this conference to Physicians, Surgeons, Researchers and Doctors, Scientists, Medical professionals, Fellowship holders, Residents, Medical industries and Healthcare industries of the medical field a warm invitation to attend and participate in this conference. It's our honour and privilege to welcome you all to attend this forthcoming "International Conference on Physicians and surgeons" which is going to be held during April 08-09, 2020 in Dubai, UAE.

We are extremely pleased with pride and honour in announcing our external support from the International Organizing Committee members of Physicians 2020.
