Citation: Swathi P (2020) Editorial Note for Journal of Current Research:

Integrative Medicine

ISSN: 2529-797X

The [Journal of Current Research Integrative Medicine \(CRIM\)](#) is a quarterly, open-access, peer reviewed journal that provides an international platform to publish the eminent research work from all over the world by several renowned research scholars, therefore aiding in enhancing the quality of the journal. The Journal comprises several original research articles, clinical studies, case reports, review articles which describes a broad range of topics including Western and Biomedicine, Osteopathic, Regenerative, Holistic, Naturopathic, Functional, Herbal medicine, Psychology and Counselling, Physical therapy, Homeopathy, Acupuncture and East Asian medicine, Nutrition and Dietary therapy.

The journal also publishes articles that are related to basic as well as the recent research in the field of medicine. The journal follows the stringent peer review process only after which an article is accepted for the publication. The Journal of CRIM has published all the issues of volume 4 online within the time duration and the print issues were also have been brought out and are dispatched within the duration of 30 days of publishing the issue online during the year of 2019.

During the calendar year of 2019, the Journal of CRIM have received a total of 25 manuscripts, out of which around 16 articles (75%) were rejected in the preliminary screening process due to plagiarism or due to being out of the format and peer review process. During 2019 around 9 articles were subjected for the publication after they have been accepted in the peer review process. In the 4 issues of Volume 4 published during the year 2019, a total of 9 articles were published (at an average of 2 articles per issue) of which, articles were published from authors all around the world. The articles have been globally accessed by the research scientists and also cited.

During the calendar year of 2019, there were a total of two editors and also five Reviewers who have joined the board of Journal of CRIM and have contributed their valuable services towards the contribution as well as in the publication of articles,

and also their valuable reviewer comments which were beneficial for publishing the article with the good quality in the Journal.

Authors are cordially invited to submit their current research activities and outcomes in the form of any article type of science communication such as original research, review, expert opinion, commentary, short note communication to our Journal.

Manuscripts can be submitted online via [Editorial Tracking System](#) or as an E-mail attachment to the Editorial Office at integrativemedicine@medicineinsights.com or integrativemed@pulsusjournal.org. CRIM is using Online Review and [Editorial Tracking Systems](#) for quality review process and the authors can submit manuscripts and track their progress.

I take this opportunity to acknowledge the contribution of (Dr. **Peiyang Yang**) during the final editing of articles published and also the support which have been rendered by the editorial assistant, in bringing out the issues of CRIM Journal in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of CRIM Journal, the office bearers for their support in bringing out yet another volume of CRIM Journal and look forward to their unrelenting support to bring out the Volume 5 of CRIM Journal in scheduled time.
