### EDITORIAL NOTE

I am pleased to introduce International Journal of HIV and AIDS research a rapid peer reviewed Journal which aims to address the social, economic, and medical aspects of HIV/AIDS infection from the inception of virus transmission through therapy, cure, awareness and advancements in the medical technologies for the effective management of HIV/AIDS. I am pleased to announce that all issues of volume 2 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online during the year of 2019.

The Journal aims to flourish and covers all concepts in the fields of Infectious Diseases, Immune deficiencies, Sexually Transmitted Diseases (STD), Gynecology, Clinical virology, Epidemiology, Molecular biology, and Immunology. Apart from focusing on the research that finds ways and means to fight the disease, the journal also pays attention on the social stigma attached with the disease by focusing on studies related to HIV Medicine, HIV Drug therapies, Behavioral sciences, Social sciences & Humanities, AIDS Education & Prevention, Family Medicine, Translational Science .

All published articles of this journal are included in the indexing and abstracting coverage of Directory of Open Access Journals (DOAJ), China

National Knowledge Infrastructure (CNKI), EBSCOhost, Free Medical Journals, Geneva Foundation for Medical Education and Research, Google Scholar, Index Copernicus, Ulrich's Periodicals Directory and CAS.

During the calendar year of 2019, IJHAR received a total of 20 manuscript, out of which 14 articles (70%) were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 6 articles were subjected for publication after they are accepted in the peer review process. In the 1 issue of Volume 3 published during the year 2019, a total of 6 articles were published of which, articles were published from authors all around the world. Globally articles have been accessed by the research scientists and also cited.

I take this opportunity to acknowledge the contribution of Associate Editors: Rasha Khalil Al-Saad (Iraq ), Sheng-Fan Wang (Taiwan) during the final editing of articles published and the support rendered by the editorial assistant: Jan Rene Nkeck ,Chen Zhang, in bringing out issues of IJHAR in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of IJHAR, the office bearers for their support in bringing out yet another volume of IJHAR and look forward to their unrelenting support to bring out the Volume 3 of IJHAR in scheduled time.\_
