

Editorial Note for International Journal of Clinical Psychology and Cognitive Science

I am pleased to introduce Journal of Clinical Psychology and Cognitive Science(JCPCS) a rapid peer reviewed Journal which have a key concerns over the medical practices by exploring the best patient oriented clinical research and by exhibiting this information both directly, as clinical findings, and in practice oriented formats of direct application in day-to-day situations. I am pleased to announce that, all issues of volume 4 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online during the year of 2019.

The Journals aims to flourish and to maintain the standards in research and practice, provide platform and opportunity to present evidence based medicine and analytical assessment of research and probably it is much in deed for students, teachers and health care professionals to enhance the patient care.

The H-index of the journal is 1 and JCPCS ranked first among all journals in the field of Clinical Skills and 176th in the world as per the Scimago ranking.

During the calendar year of 2019, JCPCS received a total of 15 manuscript, out of which 28 articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 10 articles were subjected for publication after they are accepted in the peer review process. In the 3 issues of Volume 3 published during the year 2019, a total of 11 articles were published (at an average of 5 articles per issue) of which, articles were published from authors all around the world. Globally articles have been accessed by the research scientists and also cited.

During the calendar year 2019, a total of two Editors, seven Reviewers joined the board of JCPCS and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will beneficial to publish quality of article in the Journal.

I take this opportunity to acknowledge the contribution during the final editing of articles published and the support rendered by the editorial assistant, in bringing out issues of JCPCS in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of JCPCS, the office bearers for their support in bringing out yet another volume of JCPCS and look forward to their unrelenting support to bring out the Volume 4 of JCPCS in scheduled time.
