

Editorial on past Webinar Report on Webinar on Pharmaceutical Nanotechnology

The “ Webinar On Pharmaceutical Nanotechnology “ hosted by the Longdom conference held during September 22, 2020 , Paris, France “Focusing and Expanding the Significant Assessment in Nanotechnology Inventions to the Globe”. Benevolent response and active participation was received from the Organizing Committee Members along with Scientists, Researchers, Students and leaders from various fields of Nanotechnology, Nanomaterials, who made this event a grand success.

Longdom conference expresses its gratitude to the conference Moderator, namely

Alaa Yousef Ali Ghidan, Higher council of Science and Technology, Research and Development Center, Jordan. taking up the topics of “Synthesis and Characterization for Different nanomaterials and its Nanomedicine Application as Antimicrobial and Anticancer Activity.” the responsibility to coordinate during the sessions. We are indebted to your support.

We also express our sincere thanks for chairing the sessions to:

1. Fatima Yousef Gethan, King Abdullah Medical City, Saudi Arabia.
2. Naeem Akhta, COMSATS University Islamabad, Pakistan.

Longdom conference offers its heartfelt appreciation to organizations such as Plasma Chem. BREC Solutions Limited, Allied Academies, Bentham Science, Andrew John Publishing Inc., New York private Equity Forum and other eminent personalities who supported the conference by promoting in various modes online and offline which helped the conference reach every nook and corner of the globe. Longdom conference also took privilege to felicitate the Keynote Speakers, Organizing Committee Members, Chairs and sponsors who supported this event.

With the grand success of Nanotechnology webinar, Longdom Conference is proud to announce the “ Webinar on Pharmaceutical Nanotechnology “ to be held during September 22, 2020.
