### Article Corrected

**Title:** An unusual case of axillary arch bridging across the anterior and posterior axillary folds in the distal part of axilla

**Authors:** Mohandas RAO KG, Somayaji SN, Narendra PAMIDI, Surekha D SHETTY.

**Online publication date:** June 28th, 2011

**Page numbers:** 128–130.

In the online published version of this article [1], errors were subsequently identified, and the following corrections have therefore been made.

### Corrections Made

Page 129, legend for Figure 1: The statement "Dissection of the **left** axilla where..." is corrected as "Dissection of the **right** axilla where..."

Page 129, legend for Figure 2: The statement "Dissection of the **left** axilla where..." is corrected as "Dissection of the **right** axilla where..."

We apologize for this error.

Sincerely,

*Selcuk Tunali, MD, PhD*

*Editor-in-Chief & Publisher, IJAV*

### Note

*All online versions of this article have been updated to reflect this correction.*
