

Note on Journal of Pharmacology and Medicinal Chemistry

Dr. Mostafa Norizadeh Tazehkand*

Editorial

I am Happy to announce that the Pharmacology and Medicinal Chemistry (JPMC) is a journal and that gave me opportunity to bring forward the achievements of the journal in the year 2018. As we know that JPMC is the newly coined journal, it is under development and growing fast to be indexed by various indexing agencies. The entire issue was published by JPMC at the time and the preprints were also released and dispatched online within 30 days after the article was published online. JPMC accept all types of articles, including Research papers, case studies, review papers, brief commentaries, mini analysis etc. on Pharmacology and Medicinal Chemistry.

Pharmacology and Medicinal Chemistry Journal is an open-access Peer-Reviewed journal that seeks to publish the latest and excellent research papers, reviews and letters in all pharmacology and medicinal chemistry fields. Submissions will be assessed on their scientific validity and merit. It encompasses a broad range of subjects including, though not limited to, Chemical Pharmacology, Biological Chemical Biology, Medicinal Chemistry Anti-Infective Agents, Pharmaco-Research, Pharmaceutical Processing, Medicinal Organic Chemistry, Synthetic Medicinal Chemistry, Medicinal Biochemistry, Medicinal Companies and Market Analysis, Medicinal Chemistry, Bioorganic Chemistry, etc. JPMC is a high-quality journal devoted to the management of time and completes all the work on writing

any article in a given period of time. As the cumulative time span of every article to be published online is 45 days from the date of receipt. The time is taken from 4 to 5 weeks for various processes such as quality check, peer review, processing of article. Quality checks and peer review processes complete within 14 days and the time period for the publication is only 7 days after acceptance of the article by reviewers and editors. Articles published in the Journal of Pharmacology and Medicinal Chemistry show the considerable progress made on previously published research, or bring new thoughts or findings that could have a strong impact in this region. JPMC has received 4 research articles and 2 review papers in issue 1 and 3 research articles in issue 2 from authors and it released in volume 2. JPMC was recently organized International conference in 2019 throughout the world and also going to accomplish International Conference in 2020. Journal uses online broadcasting and various social media channels such as Twitter, LinkedIn, and Facebook for recent updates on what's going on in the newspaper to make people aware of the Pharmacology and Medicinal Chemistry related topical issues. In JPMC there are 25+ Million Website visitor. I would like to accept the existence of the contribution of all editors, reviewers, and the other supporting peoples during the final editing of the published articles and the help provided by the editorial assistant in bringing out JPMC issues in time. I am very grateful to them for giving me the opportunity to understand the work and the development of other peoples making this journal a success.
