### 7th Annual meeting on Neurosurgery and Neurological surgeons

Followed by the Successful Completion of Neurosurgery 2019, the 4th edition, we are hosting its next edition “**7th Annual meeting on Neurosurgery and Neurological surgeons**” in Oct 28- 29, 2020 at Zurich, Switzerland.

The theme focused for the **Neurosurgery 2020** is A spot to explore the supreme therapies in Neurosurgery

Having you all with us for our Neurosurgery 2020 is a matter of great joy and excitement. We look forward to you all sharing your incredible knowledge, research ideas and to make a sprinkle with new enhancements at this 2-days event.

This time we have introduced some new highlights for our Neurosurgery Conference;

Neurology, Pediatric Neurosurgery, [Neuro Surgical Oncology](#), Neuro Radiological Surgery, Spinal Neurosurgery, Neuro Degenerative Disorders, Central Nervous System, Neuroplasticity, Endovascular Techniques, Neuro Physiotherapy, Key-hole Brain Surgery, Craniotomy, Nursing and Neuroscience, Neuro-Endoscopy, Neuro-Pharmacology, Neuro-Traumatic Injuries, Treatment for Neuro-Ophthalmologic Disorders, Robotic Neurosurgery, Challenges in Neurosurgery.

**Neurosurgery 2020** has been designed in an interdisciplinary manner with a multiplicity of tracks to choose from every segment and gives you a rare opportunity to meet industry and academic peers and build a scientific network between them. We cordially invite all concerned to come and join us at our event and by your participation make it successful.

Our goal is to provide our participants with maximum exposure, and we ensure that the meeting is a mix that involves professionals such as Neurosurgeons, researchers, healthcare professionals, research scientists, educational and industrial diagnostic laboratory professionals, making the Neurosurgery 2020 Annual Meeting a great forum.

The conference will be organized around the Theme ‘A spot to explore the supreme therapies in Neurosurgery’. The aim is to provide an outstanding curriculum covering the entire scope of Neurosurgery and advancements and sharing the cross-cultural experiences of different treatment methods, inventions and developments.

We welcome all the Neurosurgery Professionals, Delegates, Researchers, and Students to make your beautiful presence in Switzerland, on Oct 28- 29, 2020. Looking forward to the [Neurosurgery 2020](#) conference to be successful just as the Neurosurgery 2019 Conference!

**SAVE THE DATE, Neurosurgery 2020 is coming!**
