

Past Conference Report: 22nd World Congress on Psychology and Behavioral Science

Gregory Carter

Successful Completion of 22nd World Congress on Psychology and Behavioral Science in Amsterdam, Netherlands on July 31- August 01, 2019.

Psychology 2019 conference has been successfully completed. We must thank the attendees, Park Inn by Radisson London Heathrow, Conference Centre Staff, the Organizing Committee, Ad-Sponsors, Media partners and everyone else that helped to make this Conference on Mental Health with the theme, Dissemination of Advancements, Research and Best Practices in mental health a huge successful conference.

Our Attendees obtained the kind of advance technical information in the area of Psychology that they were seeking, and that their role in the field has been enhanced via their participation. They were able to take part in all the sessions and take advantage of the tremendous advancements in Mental Health that scientists are working with.

The Majorly Focused Highlights for our Psychology 2019 Conference were Psychology Research and Practice, Addiction, Mental Health Education,

Psychological Resilience, Mental Health Illness, Child and Adolescent Mental Health, Post traumatic stress disorder, Obsessive compulsive disorder etc.

Some of the Eminent Mental Health and Psychology Professionals were the Organizing Committee Members for Psychology 2019.

Sam Vaknin, Southern Federal University, Russia.

Dr. Ian James Martins, Editor/Reveiwier, Edith Cowan University, Australia.

Hence, Psychology 2019 gave justice to the theme "Master the science of psyche psychology 2019".

All thanks to our Media partners also for associating with us.

Expo-Group.Com, JSB Conference, Kind Congress, Manuscript Edit, My Tech Mag, Expo-Book.Com, Tabeeby, The Pharma Times and Bentham Science.
