

## Past Conference Report

The “3rd Global Ophthalmology Summit” was hosted by Allied academies during June 29, 2020 and it was a great success where eminent Keynote Speakers, Speakers, Delegates, Sponsors and Poster Presenters from various reputed companies and Universities made their resplendent presence and addressed the gathering and also marked with the attendance of Editorial Board Members of supported Allied Academies Journals, Scientists representing more than 10 countries, who made this conference fruitful and productive. This conference was mainly focused on the Theme- “Visualizing the Global Advancements in Ophthalmology”.

Ophthalmology Summit 2020 witnessed of excellent speakers who enlightened the crowd with their knowledge and confabulated on different unique themes identified with the field of Ophthalmology.

We would like to convey a great appreciation to following eminent people, honourable guests and Keynote speakers.

Rakesh R Sangamesh, Rajiv Gandhi University of Health Sciences, India

Harshini Rajula, RajaRajeswari Medical College and Hospital, India

Atanu Majumdar and Jaya Devendra, NIMS University, India

Nesrine Rahmania, Rothschild Foundation, France

Special thanks to our Honorable Moderator, Dr. Harshini Rajula for her remarkable contribution towards smooth functioning at Ophthalmology Summit 2020 Conference.

We would specially thank full to our Sponsor ACS Publications for supporting us along with their associated journals named Clinical Ophthalmology, Eye & Cataract Surgery, and Eye Diseases & Disorders where they had made themselves known to our conference participants providing relevant research opportunities in the booming fields of Ophthalmology.

Allied Academies would like to convey a warm gratitude to Chairs and Co-chairs who contributed effervescently for the smooth functioning of the event, Atanu Majumdar, NIMS University, India.

Our sincere gratitude to Organizing Committee Members for their gracious presence, support and assistance towards our conference and with the tremendous feedback from the participants and supporters of Ophthalmology Summit 2020
